Massachusetts General Hospital School of Nursing

Boston, Massachusetts

A LIST OF THE GRADUATES OF THE SCHOOL

The compilers of this pamphlet have endeavored to include every graduate of the School. They assume no responsibility for any who may have been omitted. As far as their knowledge extends they have recorded here the location of each, and the form of nursing in which each was engaged in 1940.

GENERAL INFORMATION

OFFICERS OF THE ALUMNAE ASSOCIATION

President, MARY E. SHEPARD (1924), Cambridge Hospital, Cambridge, Mass.

First Vice-President, HELEN POTTER (1909), Quincy Hospital, Quincy, Mass.

Second Vice-President, CORDELIA W. KING (1932), Massachusetts General Hospital, Boston, Mass.

Treasurer, ANNE LYONS TWOMEY (1931), Massachusetts General Hospital, Boston, Mass.

Recording Secretary, ELIZABETH H. MONAGLE (1935), Massachusetts Eye and Ear Infirmary, Boston, Mass.

Corresponding Secretary, WALBORG L. PETERSON (1926), Massachusetts Eye and Ear Infirmary, Boston, Mass.

OFFICERS OF THE SICK RELIEF ASSOCIATION

President, ALVIRA B. STEVENS, Phillips House, Massachusetts General Hospital, Boston, Mass.

Vice-President, NETTIE L. FISHER, Massachusetts General Hospital, Boston, Mass.

Treasurer, DORIS KNIGHTS, Old Acres, Bedford, Mass.

Secretary, HILDA G. BLAISDELL, Massachusetts Eye and Ear Infirmary, Boston, Mass.

ALUMNAE MEMBERSHIP

1. *Resident Membership*. Fee, \$4.50 (includes Quarterly Record.)

These members must be registered and residents of District No. 5. This membership includes membership in the fifth district of the State Association, the Massachusetts State Nurses' Association, and the American Nurses' Association.

2. *Non-Resident Membership*. Fee, \$2.00 (includes Quarterly Record).

These members must be registered, but do not reside in Dis-

trict No. 5. They are eligible for district membership in district in which they reside.

3. *Associate Membership*. Fee, \$2.00 (includes Quarterly Record).

These members are not necessarily registered. They have all the rights and privileges of the alumnae association, but are not members of the district, state, or national associations.

Application blanks for membership may be procured from the corresponding secretary. The fiscal year is the calendar year. Dues are payable in advance on receipt of bill from treasurer.

FEES FOR RECORDS

The first copy of a School record is given to a graduate without charge. A charge of \$1.00 is made for all subsequent copies. The Massachusetts Board of Nurse Examiners charges \$1.00 for verifying registration in this State. If the Board of Nurse Examiners in the state where the graduate is applying for registration by reciprocity requires a copy of all examination grades, the fee is \$2.00. The check for the School record should be made out to "Massachusetts General Hospital," that for the reciprocity record to the "Massachusetts State Board of Nurse Examiners."

IMPORTANT

Please be sure that the Nursing School office always knows your address and the exact nature of your work. The Alumnae Secretary knows only your address and she is not responsible for transferring even that to the Nursing School office. If you should change your civil status, we would like to know that and to know your change of name. If you are retired, we are especially interested in what you are doing.

You may not know those of us who are in the office, but your contemporaries in training read the "Quarterly Record" and they are as interested in you as you are in them.

On a previous page you will find information relative to membership in the Alumnae Association, the names of the officers and their addresses, and other information which will be useful.

The hospital always welcomes you here. There are many changes and new developments for you to see.

SALLY JOHNSON, R.N.,
Principal of the School of Nursing.

FOREWORD

This pamphlet contains, in so far as our knowledge extends, the name of every graduate of the school up to and including the class of 1939. After that date practically no changes were made except where married names were added.

From time to time, persons claim graduation from the School, whose claims cannot be substantiated by the records. Their claims appear to be false as not one of these women has ever been able to produce a diploma. It is our belief that our files contain the name of every graduate of the School.
